An 18% administrative charge and 7% Ohio state sales tax will be added to the final invoice. Ohio requires administrative charges to be taxed.

Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of food borne illness.

## Beverages

ARAMARK Corporation, as a licensee, is responsible for the sale and service of alcoholic beverages in accordance to the rules and regulations of The State of Ohio Liquor Control Board. It is policy that ARAMARK Corporation must supply all liquor, wine and beer. Our catering staff will be pleased to assist you in selecting the appropriate beverages, both alcoholic and non-alcoholic, to complement your menu. We welcome your special beverage request of items not found on our menu. We ask that you please provide us with proper advance notice so that we can ensure we have your favorite items stocked and at the appropriate temperature for service on event day. Bottles or cans are not to be taken outside of your suite. By law, minors (person under the age of 21) cannot consume or be served alcoholic beverages; it is the responsibility of the suite holders to oversee alcohol consumption within your suite. If you would prefer, a bartender may be provided for your suite to assume this responsibility. Cost per bartender is \$35.00 per hour (4-hour minimum). ARAMARK Corporation reserves the right to check for proper identification and refuse or terminate beverage service at any time.

**Alcoholic beverages may not be removed from the premises.**

**For suites without a par-restocking agreement, ARAMARK reserves the right, in its sole discretion, to dispose of any unconsumed or unopened food and beverage at the end of each event and to restock certain items for subsequent events and credit will not be given for any such items.**

ARAMARK Corporation asks all Suite holders and their guests to drink responsibly and to please not drink and drive. On certain occasions, U.S. Bank Arena may promote events where consumption of alcoholic beverages is strictly prohibited. During these events, all suite guests must adhere to this policy.

## Beverage Restock Program

The restock program offers you the convenience of having ARAMARK Corporation stock your suite with the beverages of your choice. Near the conclusion of every event, we audit your designated liquor cabinet and refrigerator to determine what is needed to match your par level. We will then restock your suite the following day. Par level forms will be supplied on request.

An 18% administrative charge and 7% Ohio state sales tax will be added to the final invoice. Ohio requires administrative charges to be taxed.

Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of food borne illness.

Please contact Karen Schachleiter at 513-478-3641 or [schachleiter-karen@aramark.com](mailto:schachleiter-karen@aramark.com) to participate in this convenient service program.

## **Suite Ambassadors**

Suite ambassadors are assigned to check on your suite throughout the event. For more personal attention, a personal ARAMARK Suite Ambassador may be added to your Suite to assist in serving the food and beverages and to accommodate any request you or your guests may have. Cost per Suite Ambassador is \$35.00 per hour (4-minimum).

## **Cancellations**

If an event is cancelled after the doors have been opened all orders will be completed and billed as usual. If doors do not open, orders will not be billed.

## **Administrative Charge & Tax**

There is an 18% administrative charge and 7% sales tax applied to all food and beverage orders. Administrative charge is subject to sales tax in the State of Ohio. This Administrative Charge does not represent a tip, gratuity, or service charge for the benefit of service employees. However, please note that 60% of this Administrative Charge is distributed to certain employees as additional wages.

## **Methods of Payment**

Following are the payment options for suite holders. Please review these options to determine which best suits your suite's needs.

### ***Option #1 – Credit Card on File***

As a Suite holder, you may place a credit card on file with the ARAMARK Suite Catering office to be used for food and beverage charges (including the beverage restock program). At the end of an event, you will be required to sign the customer summary, *eliminating the need to present a credit card*.

MasterCard, VISA, Discover and American Express are the only major credit cards accepted by ARAMARK.

### ***Option #2 – Escrow Account***

An escrow account is a convenient way to pay for your purchases in advance without utilizing a credit card. Prior to the beginning of the season, a check is sent to the ARAMARK Suite Catering office to be deposited in the escrow account. As charges are made for food and beverage, deductions are made from the escrow account. You will receive copies of the customer summaries from each game itemizing all charges.

An 18% administrative charge and 7% Ohio state sales tax will be added to the final invoice. Ohio requires administrative charges to be taxed.

Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of food borne illness.

An escrow account can be initiated with a minimum balance of \$5,000; however, we recommend \$10,000 for the initial payment. When the escrow balance drops below \$1000, you will be asked to replenish your account. If the escrow balances reaches \$0, you will be asked to provide a credit card for all charges until the escrow account is funded.

### ***Option #3 – Advance Payment***

Advance payment for food and beverage is another option. The Suite Catering office will provide you with a total of all charges based upon the Advance order. All Advance payments (cash, credit card, and certified check) must be received at least **7 days prior** to the event. Please advise your guests that they will be responsible for any additional orders over and above the initial suite order. Suite attendants will be required to ask for payment at the time the order is placed.

### ***Option #4 – Payment at Conclusion of the Game***

This option is not available for advance ordering.

Please advise your guests that they will be responsible for all food and beverage charges incurred during the game. Just as if you were setting up a “tab” at a bar, our suite attendants will be required to ask for a credit card at the beginning of the game. All charges will be posted to this credit card during the game and a signature will be required at the end of the game.

***For suites with shared ownership, each partner in the suite is required to establish a separate account with the ARAMARK Suite Catering office with a calendar of days each partner will be using the suite.***

### **Liability**

ARAMARK Corporation reserves the right to inspect and control all private functions. Liability for damage to the premises will be charged accordingly. The client agrees to accept responsibility for any damage done by their group to the function room or arena, prior to, during or following their function. ARAMARK Corporation cannot assume any responsibility for personal property and equipment brought into the suite and banquet areas.

An 18% administrative charge and 7% Ohio state sales tax will be added to the final invoice. Ohio requires administrative charges to be taxed.

Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of food borne illness.
